Mr. Abraham Manley
71 Crawford Street
Newark, New Jersey

Dear Mr. Manley:.

This will advise you that the date set aside for your and the Philadelphia Stars, September 9, 1945 at the Briggs Stadium has had the approval of our general manager, Mr. Jack Zeller.

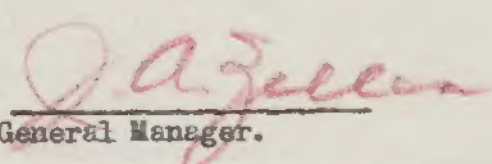

By all means send me the correct line-up and numerals of your players at least two weeks in advance. You should also please send me a picture of your club and pictures of several of the stars along with notes from which attractive stories might be made because I handle all the publicity and advertising personally. The same should be mailed to my office, 1945 St. Antoine Street, and not to Briggs Stadium because they are too busy handling matters for the Detroit Tigers there.

Very truly yours,

John R. Williams
